

SAVOY AMP

SUGAR FREE

Do you need a boost?

Give your sound an injection of power with this clean boost. Designed to amplify your guitar without compromise, the Sugar Free with MOSFET gives you a simple way to stand out from the crowd.

There's a main volume control, plus two additional controls, 'FAT', to choose your tone, and 'LOCK', which set the footswitch into locked or momentary mode. The 30V Clean Boost MOSFET guarantees a wide dynamic range.

 Handmade in France.
